

## Parents Code of Conduct

### Youth Football at XL Sports World - Cherry Hill

We want a safe, uplifting and professional environment where these players can learn the game of Football.

Please remember that XL Sports World CH will enforce these rules.

#### PLEASE INITIAL EACH ITEM

\* I pledge to **AVOID** burdening my athlete with a lot of instructions before, and during the game. **Love and positivity are fine!** \_\_\_\_\_

\* I pledge to **AVOID** focusing simply on the score and demonstrating poor sportsmanship. I, and my family, acknowledge that the premise of the league is developing and enjoying the game, and I promise to uphold its integrity by playing my part on the side \_\_\_\_\_

\* I pledge to **AVOID** raising my blood pressure by screaming at the officials, coaches, or any other warm body. Even if my opinion differs from the rest of the World. I understand the referees are here to provide a service, and I pledge not to contribute to the astounding numbers of referees walking away from youth sports due to this behavior \_\_\_\_\_

\* I pledge to **AVOID** inflicting damage to my high five hand by banging on the glass before, during, or after the game. **SUPPORTIVE CHEERING ONLY.** \_\_\_\_\_

\* I pledge to **AVOID** forgetting that things happen in sports. I will always remember the message from my children that says. I'm just a KID, it's just a GAME, the officials are only HUMAN, and NO college scholarships will be handed out today. \_\_\_\_\_

\* I pledge that if there are any situations, plays, decisions made that i am not happy with, I will take 24 hours for the game to pass before approaching management with any comments or questions \_\_\_\_\_

\* I pledge to **AVOID** approaching the referees, or coaches at any point during, or after the game to argue decisions that I disagree with. \_\_\_\_\_

\* I acknowledge that the safety of players, coaches, staff, and patrons are above everything else the priority. I am responsible for setting an example to my children and other guests in the facility \_\_\_\_\_

\* I understand any inappropriate behavior deemed by XL staff can result in the removal of my child from the program, and the entire team forfeiting that game \_\_\_\_\_
