WELCOME TO 2021 XL SUMMER CAMP!!!!

Dear Camp Parents,

I want to take this opportunity to welcome you to our summer program and thank you for entrusting your child's care with us this summer. We assure you that we will make every effort to make this a positive experience for both you and your child. XL Summer Camp wants our campers and counselors to be part of a safe, happy, and fun environment that shares a common set of core values. These core values are interwoven into camper and counselor relationships as well as our daily activities and decision making, in hopes of instilling a lifelong code of positivity, respect, kindness, and acceptance.

This summer marks the 20th season for our summer camp. Every summer we have over 700 campers in our program, with approximately 300-450 campers attending each day and we expect to have the same this year. Since last summer, we have worked diligently to improve our program, and we have many new and exciting plans for our campers. Our camp is licensed through State of NJ Department of Health and Senior Services and receives an annual inspection. Our goal is to provide the safest possible environment for your child and the most fun summer! We are extremely proud of our camp staff and expect more than 80% of our staff to return for another summer!!!

The 2021 Camp Parent Handbook contains all the information about our summer camp program. Please review it carefully as it will answer many of your questions and help you to better understand our program and our camp policies. Please remember that these policies are in place for a reason. **Our main goal is to keep all campers SAFE & HAVING FUN.** We also encourage you to go over these policies with your child to ensure your child's camp experience is a positive one. Returning camp parents should also review this information, as many changes and additions have been made from previous years. I know it contains a lot of information but trust me it will make your camp experience more enjoyable if you and your child understand all our policies and procedures ahead of time. As much as we like to please every parent & camper, we have a large camp, and all our policies are based on the safety and welfare of all our campers.

You can expect to receive a pre-camp email by **June 10, 2021** with any final information about our camp program along with a copy of our "Meet the Staff" guide to introduce you to our incredible staff. Please do not hesitate to contact me with any questions or concerns that you may have.

Sincerely,

Lynne

Lynne Prairie
Camp Administrator

Questions/Concerns

During the summer, if you have any questions or concerns regarding your child's camp experience, the Camp Administrator, Lynne Prairie, is available during the day and can be reached in person, by phone or email. You may also speak to one of our Camp Directors or Assistant Directors when dropping off or picking up your child. If you have an urgent matter during the camp day, please ask to have the Camp Administrator notified immediately.

Camp Staff

Our summer 2021 staff will include over 80 counselors consisting of professional educators (many of whom hold advanced degrees), current high school and middle school coaches, graduate students, and undergraduate students. We have many former campers working at the camp who are now teachers or are attending college. All staff members are certified in CPR for the Professional Rescuer, go through an extensive orientation, and have background checks completed by the State of NJ.

Under the direction of the Camp Administrator, Lynne Prairie, there are three Directors and several Assistant Directors. Our Directors and Assistant Directors are teachers who have worked at the camp for many years, some since college.

All our staff members love working at the camp and return year after year! 80% are over the age of 21 and 100% are over the age of 18. All our camp families will receive a "Meet the Staff" booklet before camp starts with pictures and information about our staff. This will be available on our website by June 2021.

Because this is a summer camp and the campers are on vacation from school, each counselor ensures that all our campers have the best time possible at summer camp, engaging their special interests, and helping them to foster new friendships.

Camper to Counselor Ratios

Grade	Ratio	Ratio/Field Trip	Ratio/Water Trip
PK/K	6:1	5:1	4:1
1 – 8 TH	10:1	9:1	8:1

Camp Groups

- Campers are placed in separate groups according to the grade level they have completed during the 2020-2021 school year. Campers that have just completed Pre-1st will be placed with the Kindergarten group. If you feel that your child would feel more comfortable with the 1st grade group, please contact the Camp Administrator.
- **All other campers are placed in the grade they just completed, not the grade they will be entering in September 2021.** When filling out your camp paperwork, please make sure you fill in the correct grade.
- Children in different grades cannot be placed in the same groups.
- Each camp grade will have several Head Counselors who will be with them throughout the summer. These are the counselors with the most experience at XL Summer Camp, most of whom are teachers.

Daily Operations

Tutor Time

From 8:00 am – 8:45 am Monday through Thursday, we have an area designated for Tutor Time. If you would like your child to have supervision while working on their schoolwork or spend that time reading, notify our staff during check in. You must send in all materials with your child. **Please note that this is not private tutoring or individual instruction.** The ratio of staff to camper will be 10:1. If we have a staff member that is absent, we will not have tutor time that day in order to ensure we are properly staffed on all surfaces.

Camp Roll Call

We conduct four camp wide Roll Calls (9:00, 1:15, 2:50, and 4:15) every day to ensure the campers' safety. In addition, each grade takes roll before and after each period, every time they leave or arrive at a new surface or activity, and before and after lunch.

Before Care

Campers who arrive before 7:30 am will remain in the front area of our facility. At 8:00 am, all campers will be separated by grade level and are on different surfaces until 8:45 am.

PK – PK Room K – Party Room 1/ 2: Grass 3/ 4: Wood 5-8: Mezzanine

Daily Schedule

Each day at XL Summer Camp begins at 9:00 with a camp wide roll call. All the campers gather on our wood surface to take roll call and have our morning meeting with the entire camp. We use this time to get our campers excited about their day, go over important announcements, announce campers' birthdays, tell jokes, and listen to fun music as we prepare the campers for their day. At this time Allergy Bands are put on campers with Food Allergies. Once this is completed, campers who are attending field trips, swimming trips and enrichment programs are sent to their activity. All other campers begin their day by going to their first activity. Each grade has a schedule that changes daily and consists of 45-minute periods. Every period, each grade goes to a different surface and participates in a different activity. Activities include sports, friendly competitions, Pictionary, Human Knot, Steal the Bacon, Waffle Ball, Kickball, Bingo, Scooter, Gaga, Knockout, Hula Hoop Relay, Frisbee tag and hundreds of other games and activities. Every grade has at least 1-2 periods outside each day (weather permitting). Our staff introduces new games daily to keep the campers interested and challenged. There is a Master Schedule located on the website that shows where each grade is each period of the day.)

Electives

Campers in 1st – 8th grade have the option of choosing their activities during our two elective periods offered Monday through Thursday. During these periods, campers can choose which activities they would like to participate in. During morning Roll Call, campers will be asked to select from a variety of activities that are offered to their grade that day. Arts and crafts are offered Monday through Thursday during both elective periods, along with "Backyard Games" and group activities. Many other activities are offered that include nutrition, Zumba, and Yoga. The options change every day to give our campers a chance to try new activities.

Elective Sports Clinics: 1st – 8th Grade Only – Monday – Thursday

We are pleased to offer sports- specific clinics in several sports that are included in your camp

tuition. Clinics are conducted by our Camp Staff who are college, high school, middle school and youth league coaches and trainers, all of whom are past or current college- level players with years of experience playing and coaching. Our coaches will help the campers to improve their skills and learn new ones while helping them develop a better understanding of the game while having fun! During the last half hour, campers will scrimmage to give them a chance to practice what they have learned and allow them to play and have fun! Clinics are offered Monday – Thursday as an Elective. Campers can choose this option in the morning when making their selection for their elective period that day.

6/28- 7/1	Basketball

7/19—7/22	Flag Football

Lunch/Snack

Campers may purchase breakfast items in the morning between 7:30 – 8:30 am.

Grade	Lunch Time	Snack time
PK/K/1	11:00	2:00 (1 st grade 3:00)
2/3/4	11:45	3:00
5/6/7/8	12:30	3:00
Enrichment Programs	12:30	3:00

- Lunch is included in our summer camp program, unless your child is attending a field/swim trip. The menu is included in this packet and available on our website.
- Your child will make his/her lunch choice each morning during check in.
- Hot lunch choice is available until 10:00 am. Sandwich choice is available until lunch.
- **New for 2021: You can purchase breakfast items from our snack bar from 7:30 – 8:30 am. The items available and prices are located on our menu.**
- Lunch portions are like a standard school lunch.
- In addition to the main lunch, we offer an **unlimited** salad and pasta bar each day. The selections change daily and are included with lunch.
- We also have a selection of sandwiches available each day (turkey/cheese, ham/cheese and peanut butter and jelly) that will come with all the sides that the main lunch offers. Campers may choose the main lunch or a sandwich as their choice for lunch. If your child orders a sandwich, he/she will receive a wrist band indicating their sandwich choice.
- Lemonade and water are available during lunch and snack. Water is always available to campers throughout the day and they are encouraged to drink often.
- If your child does not like the lunch/snack options, you may send in a bagged lunch for them. These items may be kept in their camp bags or an insulated lunch bag.
- We do not have refrigeration available to the campers. If your child brings a bagged lunch, please make one that does not need to be refrigerated.

- If your child is still hungry after eating breakfast and our prepared lunch and snack, then we suggest you send them with extra food in their camp bag. Some campers going through a growth spurt are extra hungry and with all the physical activity, they may need an additional meal.

Food Allergies

On the Health and Wellness form, we ask you to list any foods that your child is allergic to. *We take these allergies very seriously.* We check every ingredient prior to serving any foods to our campers. Campers with food allergies will be given a red wristband each morning at the first roll call. This band must be worn all day. **All campers with food allergies are seated at a separate table during lunch.** Please do not feel that your child will be sitting alone as we have many campers with food allergies. This is for the safety of your child. Our staff will monitor everything your child has on their lunch tray to ensure optimum safety for each camper. If your child has a food allergy that requires an EpiPen, we request that you have one that we can keep on site for the duration of their camp weeks so that in the event of an emergency we have it on site and on field trips at all times. **If your child has a SEVERE allergy, please contact the Camp Administrator directly to discuss any special needs. If at any time during the summer anything changes with their allergy, we ask you to inform us in writing of the change.**

Free Time

Every day from 1:35 – 2:50 pm campers in 1st – 8th grade campers have Free Time. During this period, the campers may choose from the following activities: skating, arcade games, Adventure Alley, Funzone, organized turf games, board games, ping pong, free play, or just hanging out with their friends. Our staff is stationed throughout the building and at all the exits. Campers are very closely monitored during this time.

Spending Money

Your child is not required to bring in spending money; however, your child may wish to play the arcade games and purchase food or snacks from our snack bar or vending machines during Free Time. We encourage all parents/campers to hand in their spending/snack money to the camp desk where it will always be monitored by our staff. Campers who keep money in their camp bags do so at their own risk. **Please note: the XL Summer Camp staff will not be responsible for any money not kept at the camp desk or money that is lost or stolen from a camper's bag.**

Envelopes will be available at the camp desk during check in to store camper's spending money. Please write your child's name and grade on the envelope. These envelopes will be kept at the camp desk and will be handed out after Roll Call at the beginning of Free Time. This is the only time during the camp day that the arcade games and snack bar are available to the campers. Campers should return leftover money to the camp desk at the end of Free Time. Please instruct your child as to how you would like them to spend their money as it is very difficult for our staff to monitor what each camper is buying during free time.

PK and K Spending Money

Our PK and K campers will not participate in Free Time with the older campers; however, they will have the opportunity to play the arcade games on Thursdays (PK campers at 12:30 and K campers at 11:45). Please note that arcade games cost money and are optional. During the arcade period PK and K campers have the option of playing the arcade games or participating in another planned activity.

Each afternoon after rest period, PK/K campers that have spending money are taken up to the vending machines by one of their counselors. If you would like your child to purchase a snack, please write on the envelope what you allow your child to purchase and leave it at the camp desk. Our staff will monitor what they buy.

Please be specific on the envelope. Do not tell a check in staff member at check in, as they most likely will not be the staff member with them during snack time.

After Care

During the aftercare program from 4:30 – 6:00 pm campers will participate in our after-care program supervised by our staff. All campers must be picked up by 6:00 pm.

Camp Special Days

Our Camp Calendar includes a description of all the Special Day activities and events we have planned for our summer camp program. Please encourage your campers to participate in these events by dressing up! These activities are fun for both the campers and counselors and help to enrich our program.

Special Guests

Most Fridays we have a special guest from 3:15 – 4:00 pm. We have put a lot of time into finding interesting, educational, and exciting new shows for our campers. These can be found on our camp calendar.

PK/K Program

PK and K make up our youngest camp groups. The PK group is for those campers who are 3 ½ years old by **June 1, 2021** and have not yet attended Kindergarten. The K group is for campers who have just completed Kindergarten.

- PK & K campers will stay with their assigned group and counselors the entire day. They participate in all camp wide activities but are always under the supervision of their counselors.
- PK & K campers do not participate in free time.
- PK & K campers are in separate groups. Occasionally, they are together for a special event.
- PK & K campers store their belongings in separate bins at the front desk.
- PK & K campers have story time every day along with a rest period. They are not required to nap but do need time to relax. Some campers do fall asleep on the cots and mats during this time. If they are still asleep at the end, they are taken to our Triage Room to finish their nap.
- PK & K campers have the option of skating Monday and Wednesdays. We have skate mates to assist the campers that cannot skate. They skate in a small area on the wood surface.
- PK & K groups have extra staff during lunch and snack to assist them.
- PK & K campers are **always** escorted to the bathroom by a staff member. Our staff will remain outside the bathroom area with them.
- **To attend camp, your child MUST BE COMPLETELY POTTY TRAINED**; however, in the event of an “occasional” accident, we will assist them in cleaning up and changing their clothes. **ALL PK & K campers are required to have a change of clothes in their camp bag.** If your child has an accident and does not have a change of clothes in their bag, they will have to wait in the Triage Room until you bring fresh clothing.
- **Please put your child’s name on EVERYTHING!**

PK/K Curriculum Monday - Thursday

We realize the importance of creating a connected and caring camp community that makes a difference in the lives of our young campers. This is the reason we have designed a program for our PK and K campers. The

program focuses on each camper's integrated experiences. Each camp week is assigned an overall theme and each day we have planned fun and interesting topics to support that week's theme. Monday through Thursday each week, campers will spend time learning about the weekly theme. It is our hope that your children will become immersed in our weekly themes and daily topics using movies, stories and discussion, art projects, dancing, and playing.

Water/Splash Day – PK & K Campers Only

This takes place in our outdoor play area and includes sprinklers, Blow up Slide/pool and small splash pools. The schedule for Water/Splash Day is as follows:

PK: Thursday – 10:15 am and Friday – 9:30 am

K: Thursday – 9:30 am and Friday – 9:30 am

Here are a few important items to remember to ensure your child has a fun time on Splash Day:

- **PK and K campers must come to camp dressed in their bathing suits under their clothes.**
- Campers must bring a change of clothes, water shoes or flip flops and a towel.
- PK/K campers who do not come dressed in their bathing suits will not be able to participate in Splash Day, as it can take the entire period, even with assistance from our staff to change the campers and we do not want the other campers to miss any of the Splash Day activity.
- After Splash Day is over our staff will assist the PK/K campers getting changed into their dry clothes.

5 Things We Did Today!

At check out each day all PK/K campers will receive a printout of "5 Things We Did Today"!! This is a summary of what your PK/K camper did at camp each day so you can talk to your child about their day and the activities that they participated in.

Swimming

Ratio of staff at Chartwell Swim Club: PK/K – 4:1 1st – 8th Grade – 8:1

Times: 10:00 am – 1:15 pm – Cost \$9.00

Schedule: PK – 1: M & W 2 – 4: T & TH 5 – 8: T & W

All campers will have an opportunity to swim two days a week at Chartwell Swim Club located in Cherry Hill. This beautiful swim club has several pools a game room and a snack bar. There are picnic tables in the shade where the campers will eat their lunch. You can view this facility by going to their website: The swim trip is an additional fee of \$9.00 per day. You can enroll your child in the swimming trips by selecting this on the Enrollment Contract. If you would like to add swimming trips weekly, you can do so, but they must be added by 9:00 am on the Wednesday before for the following week. Campers will be supervised by our staff and the lifeguard staff while at the pool.

Swim Test – K – 8th grade campers only

Campers that have passed the test in prior years do not need to retake the test. All campers must pass a

swim test if they would like to go in the deeper water or use the diving board. The test consists of swimming across the pool (approx. 30 ft.) and being able to comfortably tread water. The children do not have to know specific swim strokes, but they do need to show that they are able to swim safely. The test is conducted by the Chartwell Lifeguard Supervisor and overseen by our Swim Director. All campers that attend the swim trips in Grades 1st – 8th grades will be offered the swim test the first day they go swimming.

Once a camper passes the test, they will be given a colored band each time they attend the swim trip that allows them to go into the deeper water and use the diving boards. If they do not pass the test, you will receive a notice and they must wait 30 days to retake the test. Occasionally, campers have off days due to being nervous about the test even though they can swim. If you feel that your child should have passed the swim test but may have been nervous; please contact us and we will retest them again the next time they go. Campers that do not pass the test can swim in a roped off area that is 3 feet deep.

VERY IMPORTANT – PLEASE READ

It is a huge undertaking preparing our campers for field trips. Campers that are not checked in by 9:00 am will not be permitted to attend the field trip that day. No Exceptions!! We understand that this can be upsetting for you and your child and it is also very difficult for us to have to turn a child away from a trip. However, the safety of EVERY camper is always our main priority. Please leave early to ensure that you arrive on time when your child is attending a trip, as we know that traffic can be unpredictable. Always make sure that you check your child's schedule before they come to camp so that they are prepared to go on the trip. We appreciate your cooperation and understanding on this policy.

What should campers bring on a field trip?

- We always bring water for the campers on all field and swim trips.
- Campers are not permitted to buy lunch on any field trips except swimming trips.
- Campers must wear their camp T-shirt on all field and swim trips.
- Campers must have a bag with their name and grade on it to help them keep track of their belongings.
- The availability of snack and/or souvenir purchases will be listed on the Field Trip Itineraries.
- Bathing suit, towel, sunscreen, and a change of clothes are needed on all water trips.
- Please remember that campers must bring their own lunch and drink during all camp trips (except for the Laurel Lanes Bowling trip and Medieval Times).
- Glass Bottles are not permitted on any field trips.

Cancel/Add Field Trips

If you do not want your child to attend a field trip that they are scheduled to attend, you must fill out the Field Trip Cancellation form located on our website and at the camp front desk. You can cancel until 9:00 am on the day of the trip. After 9:00 am our trip list is set, and we are unable to make any changes. If we do not have a signed form from the camper's parents/guardian by 9:00 am, they will have to attend the trip. **Please note that you will not be credited or refunded if you decide to remove your child from a field trip for any reason.**

If you would like to add a field trip to your child's schedule, go to our website and see if the trip is listed as closed. If it is not, simply fill out a Schedule Addition Form and submit. These are located on our website and at the check in desk.

Cancellation of Field Trips due to weather

Occasionally, we will cancel a field trip if we believe that the weather is unsafe. We will make the decision by 9:00 am and will send out an email notification. If for any reason we decide to cancel a field/swim trip, the cost of the trip will be deducted from your next camp payment. Please keep this in mind if you are writing a check for that following week. If it is cancelled during your child's last week of camp, you will receive a refund check. You will receive an e-mail telling you when the credit will be issued. We will not remove a camp day from your Enrollment Contract due to a cancelled field trip. If a trip is cancelled due to weather and we have previously purchased tickets, we will issue you the ticket. We cannot issue refunds on tickets that we have purchased.

Transportation

We use T&L Transportation Company to transport the campers to all swim trips, field trips and sports clinic at Hartford School. We have used this company the past 14 years. They are reliable and safe. All buses are equipped with seatbelts.

Please note that while we may be able to substitute days on your schedule, we cannot deduct from the number of days you originally selected for any reason. You are required to pay for all days that you have chosen on the enrollment contract.

We will accept a copy of your badge, letter from an employer or any other proof of employment. This is for tuition only and does not include registration, field trips, swimming trips or any other camp costs.

Camp Check-In

The check-in/check-out process is extremely important as it is our way of tracking the campers that are attending camp that day. Although we do try to get campers checked in quickly, it does take a few minutes to greet and check in each child. Please allow extra time in the morning to allow us to carefully check in each camper and please be patient with our staff. Ask for a Director if you have questions about your child. There are always several Directors on duty to assist in answering questions.

Check-In Policies:

- Parents and campers will not be permitted to enter the building until 7:00 AM.
- You must accompany your child into the building and check them in at the camp desk.
- Three tables are set up for check in: Table 1: PK – 1st Table 2: 2nd – 4th Table 3: 5th – 8th
- If you have children in multiple grades, you will need to check each child in at their table.
- Your child will be asked their name, given a name tag and will decide his/her lunch choice.
- If your child is attending a field trip, the staff will ask to make sure that they have their lunch and if they do not, they will put them on the list for a packed lunch and your credit card will be charged \$4.00.
- You may leave spending money for your child for snacks or games in an envelope with the child's first and last name and grade on the front. All money will be stored at the camp desk and will be monitored by our staff. Please do not allow your child to keep their money in their bags or pockets, as it can get lost very easily. We are not responsible for any money that was not kept at the front desk.

Camp Check-Out

When parents arrive to pick up their children they will be asked for their child's name and grade. They will then be asked to show their ID. Parents are not permitted to enter the camp area unless escorted by a staff member. Your child will then be called over the loudspeaker or by walkie talkie to get their belongings and come to the front. Please be patient as it may take a few minutes for them to get to the front.

Incident/Injury/Discipline Reports are handed to you at check-out. If you have questions about any report that you receive, please ask the check-out staff to page a Director to speak to you. We have over 500

campers per day and every Director does not know every incident/injury/discipline that happened to each child firsthand. They will, however, be able to investigate the issue and get answers to all your questions.

Check-Out Policies:

- Every camper is checked out at the camp desk.
- **I.D. Please!** When picking up your child from camp, you will be asked to show photo identification. Our check out staff does get to know the parents and you may not be asked for ID because they recognize you, but please bring it with you in case a new staff person is at the check-out desk. This is for the safety of your child.
- The only people who will be permitted to pick up your child besides the parents are those who are listed on your child's Authorization for Child Release form. No one will be permitted to pick up a child without identification. THERE ARE NO EXCEPTIONS!
- To make changes to the Authorization for Child Release form, please fill out a new one (located at the camp desk or on our website or email cherryhill@xlsportsworld.com).
- All campers must be picked up by 6:00 pm. If you are unable to pick up your child by 6:00 pm please contact one of the authorized persons on your Authorization for Child Release Form to pick up your child. You will be charged a late fee of \$15 per camper for every 15-minute range in which you are late. For example, if you arrive between 6:01 pm-6:15 pm, you will be charged \$15 per child; if you arrive between 6:16 pm-6:30 pm, you will be charged \$30 per child. All staff members work an eight-hour shift, and we must pay overtime to our staff members who stay with the campers that are not picked up by 6:00 pm.
- Campers returning from field trips must be checked out at the camp desk.

Parking Lot Safety

- Cherry Hill Fire Department prohibits anyone from parking in front of the building and will ticket any cars parked in front of the building.
- Please remember to be patient and cautious in the parking lot during drop off and pick up
- The front spots are reserved for handicapped people and parents with infants in car seats.
- All other parents must park in one of the designated parking spots in our lot.

Triage - Injury/Illness

If your child receives a minor injury (i.e. scrape, cut, bruise, bump, etc.) while at camp, he/she will be taken to the camp triage. The triage counselor on duty will assess the situation and take care of any minor incidents. If the triage counselor feels the incident warrants further attention, he/she will notify one of the Directors. The Director will determine whether the parents need to be contacted. We cannot call every parent for every minor bump or bruise, but we will contact you if we deem necessary. Every illness/injury is written up on an incident report which a director reviews, signs, and sends to the front desk so that you will receive this at check-out. You will probably get more of these than you would like, but we want you to know as much as possible about your child's day.

If your child becomes seriously ill or injured at camp, a Director will contact you immediately. If we feel it is necessary, we will contact 911 first. If we are unable to wait until you arrive at the camp, a Director will accompany your child to the hospital and will stay with them until you arrive. Once at the hospital, our staff will not authorize any medical treatment. All injured campers will be taken to Virtua Memorial Hospital in Mt. Holly unless you request otherwise.

If any of the following symptoms occur at camp, you will be contacted to pick up your child within the hour:

- Temperature over 100°F.
- Severe cold with fever, coughing, or bronchitis
- Difficultly or rapid breathing
- Severe pain or discomfort, including ear or throat
- Vomiting or Diarrhea
- Rashes that cannot be identified or have not been diagnosed by a physician
- Contagious diseases such as measles, chicken pox, mumps, roseola, pink eye, ring worm or impetigo (we would appreciate a call notifying us so we can pass the information concerning potential exposure on to the other campers)
- Ear or Throat infections
- Unusual behavior (i.e. extreme lethargy, refusing food or drink)
- Any infected skin area (i.e. ring worm)
- Detection of Head Lice
- **Upon notification, we require that your child be picked up within one hour.**
- Campers that are sent home from camp because of illness may not return to camp until they are:
 - Free of symptoms for 24 hours
 - On the appropriate medication for 24 hours
 - Have a physician's note stating that they are free of symptoms

Medication

****VERY IMPORTANT** - Please do not send your child to camp with medicine in their camp bag or pocket. This includes Tylenol, cough drops, inhalers and EpiPens. This can be harmful to your child and other children if the medication falls out of their pocket or camp bag. Please hand it in at the front desk so we can put it in our triage, in a safe place, and make sure it is available for your child. If a child has their inhaler or EpiPen in their camp bag, our staff will not know they have one with them and this can be dangerous in the event of an emergency.

- A Medication Form must be filled out and submitted when the medication is turned in at the camp desk. Medication must be labeled and stored in the original container.
- Parents must provide any precautionary information specific to the medication.
- Medications will be stored in a secure area that is not accessible to campers.
- If you want us to dispense Tylenol to your child for headaches/minor ailments, please indicate this on the Health & Wellness Form.
- You will always be contacted by a director before Tylenol is administered to your child.

Policy on Illness and the Management of Communicable Diseases:

- We are genuinely concerned with the health and welfare of every child at our camp. To prevent illness from spreading to other campers, please do not send your child to camp when they are ill or possibly contagious.
- No refund/credits/substitutions will be made if your child is sent home sick.
- If your child becomes sick or injured, he/she will be taken to the camp triage. We do not have a nurse on duty; however, our entire camp staff completes a course in CPR for the Professional Rescuer and First Aid. All illness/injuries are reviewed by the Camp Administrator or a Director.

Camp Discipline Policy

It is the XL Summer Camp's goal to provide a healthy, safe, and secure environment for all campers. Campers are expected to follow the camp rules and to interact appropriately in a group setting. A discipline report is written for almost every incident. We do this so that you are aware of the incident and can speak to your child. We cannot call every parent every time a child is disciplined, however we will contact you during the day or ask to speak to you at the end of the day for more serious incidents. We try to keep the lines of communication open so we can work together to help your child have a good day at camp.

Camp Rules

- Keep hands, feet, all objects, and all other body parts to yourself.
- Be respectful to yourself, others, and camp property.
- Listen and follow directions.
- Foul language/name calling is not permitted.
- Treat all campers with kindness and respect.
- Always tell a staff member if something is wrong or if you are upset.
- Be responsible for your personal belongings always.
- Play fair and have fun!!

Cell Phones

We prefer that campers do not bring cell phones to camp. They have access to our phones in the event they need to contact you. If your child contacts you during the day to tell you there is a problem, tell them to tell any staff member. If they bring a cell phone to camp, they do so at their own risk. We will not be held responsible for any cell phones that are lost, stolen or damaged. We reserve the right to confiscate cell phones at our discretion if we feel that they are being used inappropriately or are disruptive. If your child's phone is confiscated, it will be placed at the front desk until pick up. If this problem continues, your child will be prohibited from bringing their cell phone to camp. (Campers are not permitted to bring chargers or use the outlets for their phones or video games.)

If your child disobeys the camp rules, we will take the following actions:

- Staff will redirect the camper to a more appropriate behavior and remind him/her of the camp rules.
- If the behavior persists, the camper will be placed in time-out and will lose time from free time.
- The staff will document the situation by filling out a discipline report. All discipline reports are reviewed by the Camp Administrator or a Director and a copy is sent home.
- If a child's behavior at any time threatens the immediate safety of them, other children or staff, the parent will be notified and expected to pick up the child immediately.
- If your child is suspended from camp, you are still responsible to pay for those days.
- Continuous disruptive behavior may result in a suspension or expulsion from the camp.

- If your child is expelled from the camp your financial responsibility will end at the end of that week. You will not receive a refund for any days in that week.

We will make every effort to calm your child, redirect them and diffuse every situation, as we do understand that children occasionally become upset and can act out. However, if we feel that we cannot

control your child, we have no other alternative than to remove them from camp. If your child is being sent home because they are not following the camp rules or they are being disruptive to the rest of the campers, they will be placed in time-out in the camp office until you pick them up. Campers must be picked up within one hour. Please note that if you are contacted to pick up your child from camp due to behavior issues, you will not receive a credit/refund for that day.

If we decide to suspend or terminate your child's camp enrollment due to any behavioral issues, you will not receive a credit/refund for the week that the camper was suspended or expelled from the camp. We will terminate his/her enrollment at the end of that camp week, and you will not be charged for any future week(s). If your child is expelled from camp, siblings of that child may continue to attend camp; however, if you decide to remove your other children from camp, you are still responsible for paying for all days/weeks the siblings were originally enrolled.

What should campers wear to camp?

- Campers should dress in comfortable lightweight clothing so that they are ready to participate in all activities.
- Camp shirts are not required to be worn to camp unless your child is going on a field trips/swim trip.
- Campers are not permitted to wear clothing that is too tight or too revealing.
- Socks are required when campers are skating, in the Funzone, and Adventure Alley.

What should campers bring to camp?

Your child should bring backpack to camp each day with the following items:

- Healthy snacks
- Bathing suit and towel (on swimming and water days)
- Sunscreen (please put name on it)
- Complete change of clothes (required for all PK and K campers regardless of whether they are attending a swim trip).
- Socks (your child will be unable to play on the inflatables, skate, or play in the Fun Zone without socks!!)
- Sneakers/close-toed shoes (campers are required to keep their shoes on all day except when playing in the Funzone, on the inflatables, or while swimming.)
- 1st – 8th grade campers will have a chance to skate each day and may bring their own skates. However, we do have roller blades and roller skates available for campers to use at no additional cost.

Please be sure all items brought to camp are clearly labeled with your child's full name and please remind your child to keep close track of all items. Each camp group is designated a cubby area to store their belongings. Except for PK and K campers, it is your child's responsibility to keep track of all his/her belongings including their shoes!

What campers ARE NOT permitted to bring to camp?

- Gum
- Glass bottles
- Medicine in their bags

We prefer that your child does not bring cell phones, expensive toys, or games to our camp. If you choose to allow your child to bring any expensive item and it is lost, damaged or stolen, please do not contact the camp or camp staff about this, as we are not responsible. The XL Summer Camp staff will, under no circumstances, be held responsible for the loss, damage, or theft of these or any other valuable items.

MISCELLANEOUS INFORMATION

Photo Release

Any photos or video footage taken while your child is at camp may be used for promotional purposes in print media and/or internet promotion. No financial compensation is available should such a picture/video be used.

Lost and Found

Campers (except for the PK/K) are required to keep track of their belongings including their shoes while they are at camp. Even with our staff reminding them, they lose their shoes and belongings. Please put your child's name on **everything** they wear or bring to camp including their shoes. A camp Lost and Found area is located near the front desk. At the end of each day, our maintenance staff will place any items that have been found in our building in the Lost and Found, so please check it periodically for any missing items. If your child is missing their shoes, jacket, hat, etc. chances are it will turn up during clean up and it will be placed in the Lost and Found. The Lost and Found will be cleaned out every 2 weeks, with leftover items being donated to Goodwill.

Referral Program

We are pleased to continue to offer our referral program to our camp families. If you refer a family to the camp that has never attended our summer camp and they enroll and attend, you will receive a \$50 credit towards your tuition. The new camp family must check the appropriate box on their enrollment contract and list your name at the time of enrollment. Only one referral credit will be issued for each new camp family.

Camp T-Shirts

- All campers will be given a camp T-shirt during check out on their first day of camp.
- If your child is attending a field trip on their first day of camp, we will issue the t-shirt during check in.
- Campers are not required to wear their camp T-shirt to camp each day but **MUST** wear them on all field/swim trips. This is done for your child's safety.
- If your child arrives to camp without their camp T-shirt and is scheduled to attend a field trip, they will be issued a new one and we will automatically charge the credit card on file \$7.00. You can also pay at the front register during check in.
- We also ask that you send your child to camp each day with a backpack that is clearly labeled with their name. This will help them to keep track of their belongings throughout the day.
- Please note that each camper only receives one camp T-shirt, but additional ones may be purchased for \$7.00.

Sunscreen Policy

It is the parents' responsibility to apply sunscreen to their child before bringing them to camp. All campers should have sunscreen (labeled with their name) in their bag so they can reapply if needed. All campers spend time outside each day although rarely after 1:00 pm. You should also send your child with sun protection such as SPF clothing, hats, and sunglasses. Our staff will assist the PK and K campers.

Camper Birthdays

Campers who have a birthday while they are at camp will be announced during our morning Roll Call with a Happy Birthday by the campers and staff. If you would like to send in a treat to share with the campers in your child's grade during snack, contact the camp for a head count for that grade.

Fire Drills

Our staff conducts a fire drill every week of camp on a different day and time. This is for the safety of the campers. These drills ensure that we can get all our campers out of the building and accounted for very quickly in the event of an emergency. In the event of a real emergency, we can get all campers safely out of the building and accounted for in less than three minutes. We also practice several other drills weekly so that in the event of any emergency, our staff is ready. You will be notified immediately in the event of a real emergency. Please be advised that you will not be permitted to check-in or check-out your child during a fire drill. We do our best to schedule them at times when we do not have many campers arriving or leaving. However, it is still possible that you will arrive while we are in the process of a drill. If this is the case, we ask that you please exercise patience. We will attend to you as soon as the drill has been completed and all children have been accounted for.

One Final Note

Our staff works extremely hard to get to know all our campers and to ensure that every camper feels safe and cared for while they are in our care. Please always treat our staff with respect. With over 80 staff members working at the camp and over 500 campers each day, it is impossible for every staff member to know everything about your child's day. Please ask to speak to a Director/Assistant Director if you have something you would like to discuss about your child. We will always make the time to speak with you about your concerns and address every situation in a timely manner. If you have any issue you would like to discuss, please do not hesitate to bring it to our attention.
