

Daily Schedule

XL Summer Camp begins at 9:00 with a camp wide roll call. All of the campers gather together on our wood surface to take roll call and have our morning meeting. We use this time to get our campers excited about camp, go over important announcements, and prepare the campers for their day. Once this is completed, campers who are attending field trips, swimming trips and sports clinics/enrichment programs are sent to their event. All other campers begin their day by going to their first activity.

Each grade has a schedule that changes daily and consists of 45-minute periods. Every period each grade goes to a different surface and participates in another activity/sport/craft/game. Games include sports, friendly competitions, Pictionary, Human Knot, Steal the Bacon, Waffle Ball, Kickball, Bingo, Scooter, Knockout, Hula Hoop Relay, Frisbee tag and hundreds of other games and activities. Every grade has at least 1-2 periods outside each day (weather permitting). Our staff introduces new games daily to keep the campers interested and challenged.

The Master Schedule (below) is the surface schedule for each grade. This schedule may change slightly throughout the summer, but for the most part will remain as is. The activities are not listed on this schedule as they change daily throughout the summer. Many parents have requested to see our schedule, so we have attached it below.

Use these codes below to help understand the schedule:

- FZ: Funzone PR:
- Party Room PKR:
- PK Room
- BW: Back wood surface
- FW: Front Wood surface
- Out: Outside
- LG: Mezzanine (our upstairs)
- BPR: Back Party Room
- FR: Front

As campers switch to a new surface, they begin a new activity period. Campers that do not want to participate in the game that the group is playing are encouraged to try it for 20 minutes and then are offered an alternative activity.
